ČEPIN 2011.

AUTORIČINA RIJEČ

Draga dječice, ranije sam vam priredila virtualnu knjigu s radnim listićima za učenje slova, pod nazivom [Učimo slova: Radni listići od A do Ž](#), a sada vam donosim različite radne listiće koje sam najvećim dijelom već objavila na svojoj stranici [Zlatna djeca](#), a namijenjeni su vama koji pohađate prvi razred, predškolarcima, a ponekad i nešto starijoj djeci.

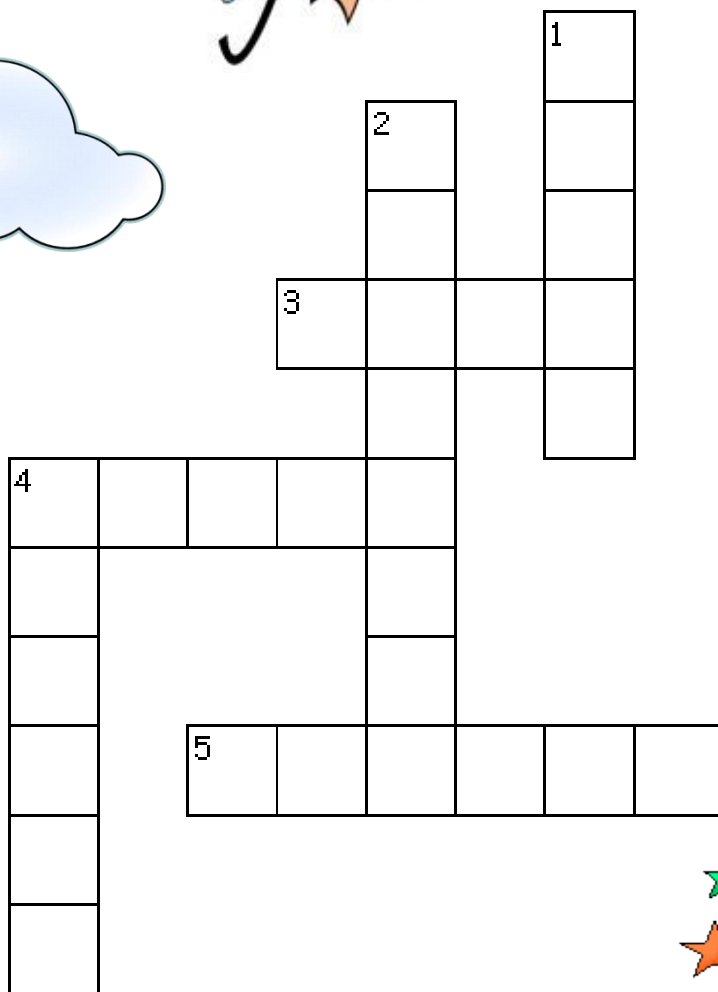

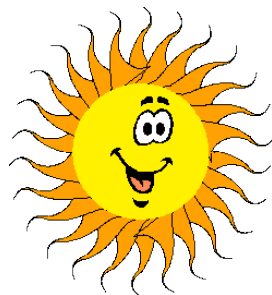

Prvih 40-tak listića su samo reprezentativni, tako da klikom na obavijesni okvir na dnu dolazite do puno većeg broja sličnih zadataka.

Neka vam učenje uz Zlatnu djecu bude zanimljivo i lako!

Mr. sc. Snježana Majdandžić-Gladić
